Letter No. Online/on-line registrations and D-forms Dated 8th Sep., 2009

To
The Principals of
JNTUH Affiliated colleges offering B.Tech. courses

Sub: Online registrations for B.Tech. University exams commencing in Nov.-Dec.-09 -reg

Dear Sir,

The college-specific student profile database and the new online registration application software shall be kept in the portal accounts of the respective Principals on 8-9-2009.

In this new registration software, all semester subjects appear for the supplementary students also. Hence sufficient care must be taken in selecting only the failed subjects. Accordingly the instruction should be given to students who register for supplementary examinations.

For the students who are transferred from other colleges to your college, the basic profiles along with hall-ticket numbers should be created by the administrators of your college. Care must be taken while entering hall-ticket numbers. Similarly records of the students who left your college (transferred to other college) should be deleted from the registration database.

Installation of Fedora Core-8 OS in the server where the on-line registrations application runs, is mandatory. If the Fedora Core-8 OS is not available with your college, send one employee with an authorization letter and one DVD to SDC, Examination branch for the issue of same.

For any further clarification contact the SDC team members at 9347733340.

Thanking you

Yours Sincerely

Sd/-xxxxxx
